Dr. Harmon McAllister
Council for Tobacco Research - USA, Inc.
900 3rd Avenue
New York, New York 10022

Dear Dr. McAllister:

I am writing to inquire of the availability of research funds from the Council for Tobacco Research and what needs to be done to apply for any such funds. I have been working in the area of leukocyte/endothelial interactions for several years and believe that some of my interests and research are applicable to the goals of your agency. I would appreciate any information that you might be able to send me in regards to research funding and how one goes about submitting an application.

Thank you.

Sincerely yours,

Richard L. Hoover, Ph.D.
Professor of Pathology
